

Try these recipes for household cleaners that are gentle on your pets and the environment!

## Gentle Scrub

- 1/2 cup of baking soda
- Castile soap
- 2 drops essential oil (optional)
- 1 teaspoon vegetable glycerin

Add castile soap to baking soda until mixture becomes a thick paste. Scoop the paste onto a sponge and scrub.

## All-Purpose Spray Cleaner

- 1/2 teaspoon soda ash (also known as washing soda or sodium carbonate)
- 1/2 teaspoon castile soap
- 2 cups hot tap water
- 2 drops essential oil (optional)

Combine all ingredients in a spray bottle and shake until the washing soda has dissolved. To use, spray cleaner on surface and wipe off with a sponge or rag.

## Glass Cleaner

- 1/4 teaspoon liquid castile soap
- 1.5 tablespoons vinegar
- 1 cup rubbing (isopropyl) alcohol
- 1 cups water

Combine all ingredients in a spray bottle, shake, and use as you would any other glass cleaner.
